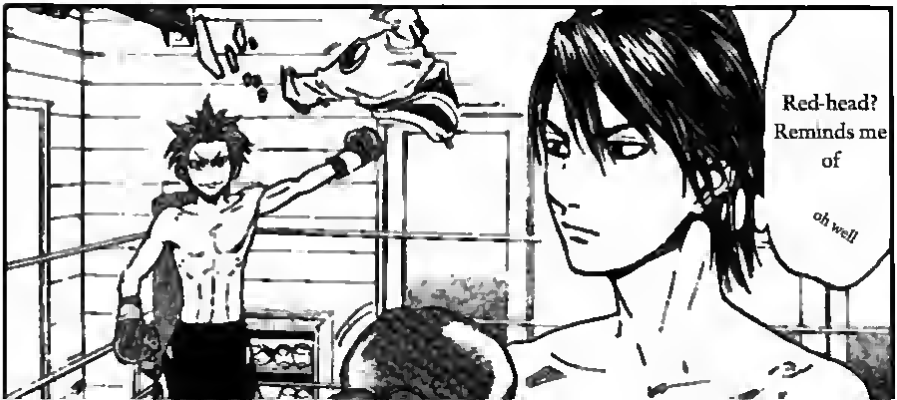
Alright
Let me test you if you're real, red-head
Putting your life at stake? You're pretty big-mouthed too....!

Serious ?



Red-head? Reminds me of
oh well

So you said you put your life at stake
So you don't mind if you die
I won't die!

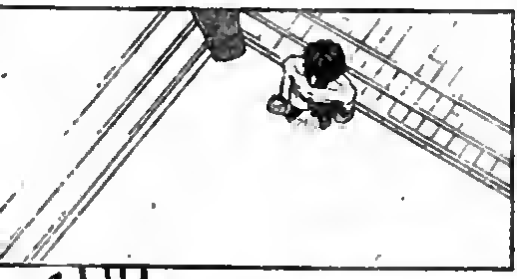
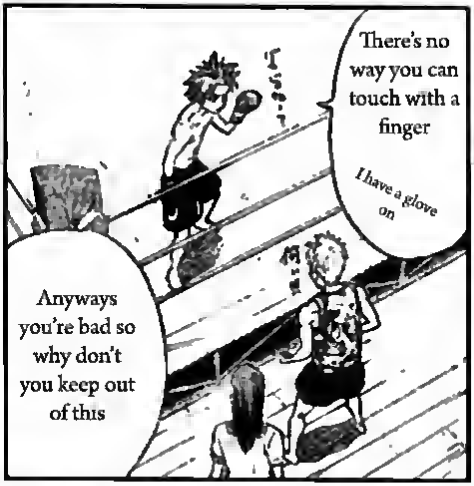
村瀬克俊
Huh?
S.. stop it Tobi-shima!! It's a bad matchup!!
Please stop them!!
Kouki why are you just staring them?

If he wishes to, he can punch you to death without your fingertip even touching him
Seidou's technique is top-notch even in the pro's class

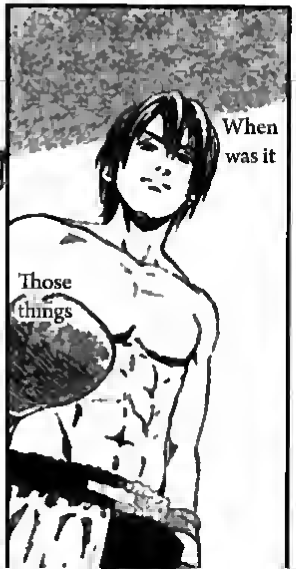
whaaaaat!!
I won't stop this crap anymore!!
die





There's no way you can touch with a finger
I have a glove on
Anyways you're bad so why don't you keep out of this

--oh well



When was it
Those things

The sense of fulfillment when I overcome him
The fear of challenging the one stronger than me

Oryaaa!! first move's the winner!!
!!
!!
kick to the face
Woah!?
As I thought, a novice

Gah
Damn!!
!?not to the face..
f... face!!?
Oh!..

Buah!
!?
Shi
Face!!
Wh
...

Shn!!
What is this guy!!?
1... leg!?
Such a dumb naming!! What is it!?
That's Seidou's rainbow kick technique!!
Stoma ch!? Leg!?
The opponent bas no way of knowing where the kick will come!!!
A kick that can hit on top, middle, or bottom with the same exact motion
It is Seidou's strong technique which is only possible by the inborn flexibility of the body and joint

Even I who was outside got tricked!!
Face ....!?
No—
Guah!?
o—dama —ge!!
Huh!?
See you can't even touch him with tip of your finger

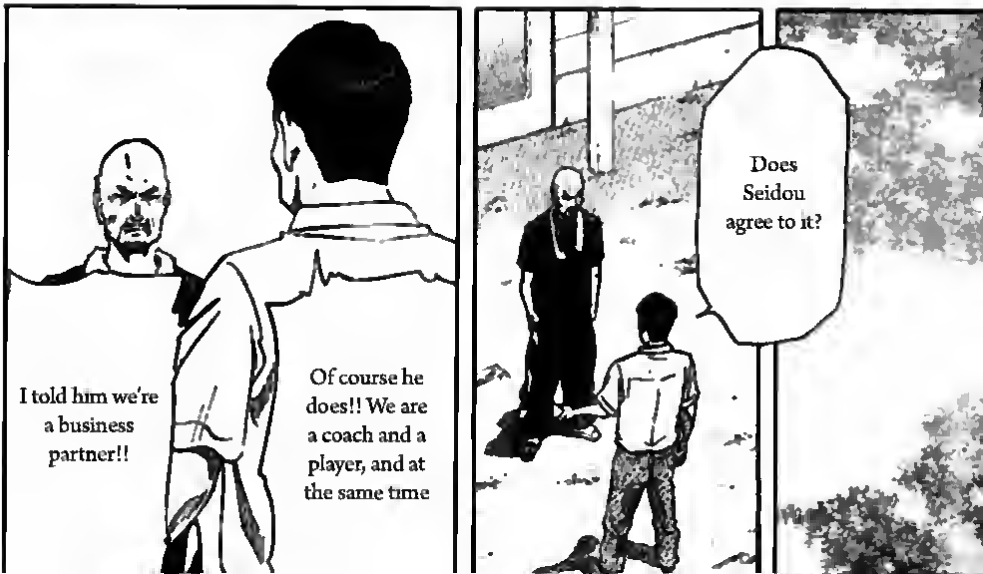
The flexible body helps not only in attacking but it also allows the movement as quick as cat
The irregular kick that comes from every direction!!! There's been no one so far that defeated this technique!!
Ugh.. dont even know... what's going

The opponent is like a weakening bull
The name that has been giving to him is "the matador of the ring!

Go to sleep!!
Gbu ...
That realizes the overwhelming differences and become hopeless
And the moment he lowers the guard without realizing due to damages

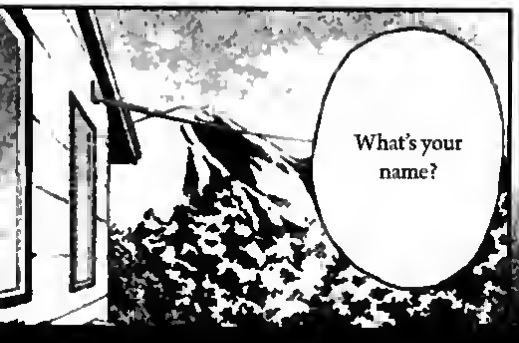
Death sickle
Death sickle, the technique with 200% K. O. ratio!!!
There's no way anyone can stand up after this!!!
Heh
A newb... !! He'll finally realize!!
Finished
Seidou's hissatsu technique
The flexible leg is like a sickle
That reaps everything from neck to head—

What!!! Doesn't even collapse
No~~~ damage ~~!!
Not as strong as the old fart
Did I hit it wrong..!? no it certainly felt right!!!

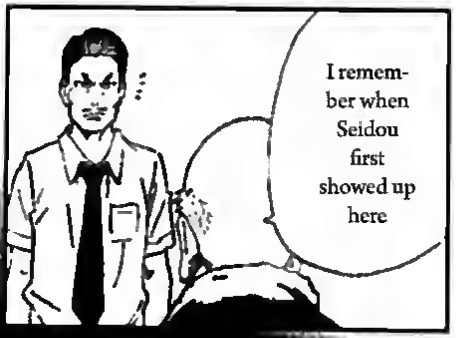


I told him we're a business partner!!
Of course he does!! We are a coach and a player, and at the same time
Does Seidou agree to it?

Seidou isn't stupid!!
When he succeeds in the future he'll realize it was the right thing to do!!!
Even though he doesn't agree at the moment



What's your name?



I remember when Seidou first showed up here

I heard you've won the Jr. tournament
Yes!!!!

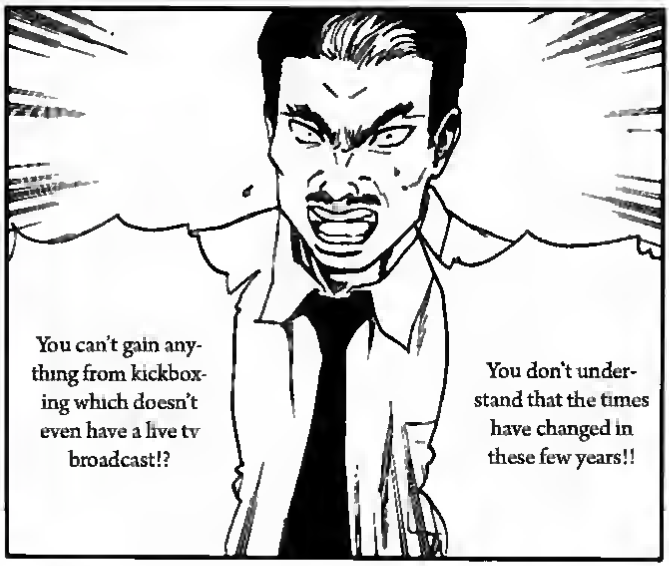
Is KB fun?

It's Kazuma Seidou!!

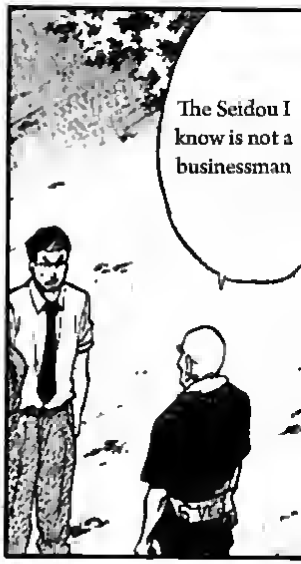
And it's so scary before the match, it's not fun!!
Training is so difficult
Actually, not really!!
Because I love it!!
Then why are ya kicking?
I love it!!
Feeling of myself becoming stronger
When the trai ing comes to fu fillment
When I beat the stronger opponent while over coming the fear before the match

Atsushi tells me that I'm one of his family members
Even though my parents are busy and doesn't really look after me
And Atsushi and Suzu becomes happy too
So I... I want to become stronger than anyone
I will do the deed of defeating Muay Thai!!!
More than Atsushi
More than Genya chairman, who defeated one of the stadium's champion

Kakaka Seidou!!
I like you!!
Y.. Yes!!

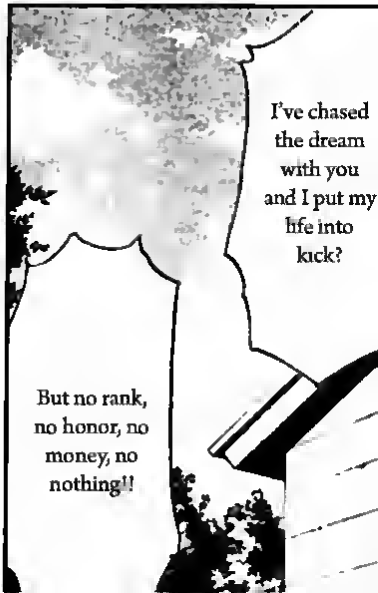


You can't gain anything from kickboxing which doesn't even have a live tv broadcast!?
You don't understand that the times have changed in these few years!!



The Seidou I know is not a businessman

But I gained so much
So I don't want Seidou to have the same experience ...
You too, father!?



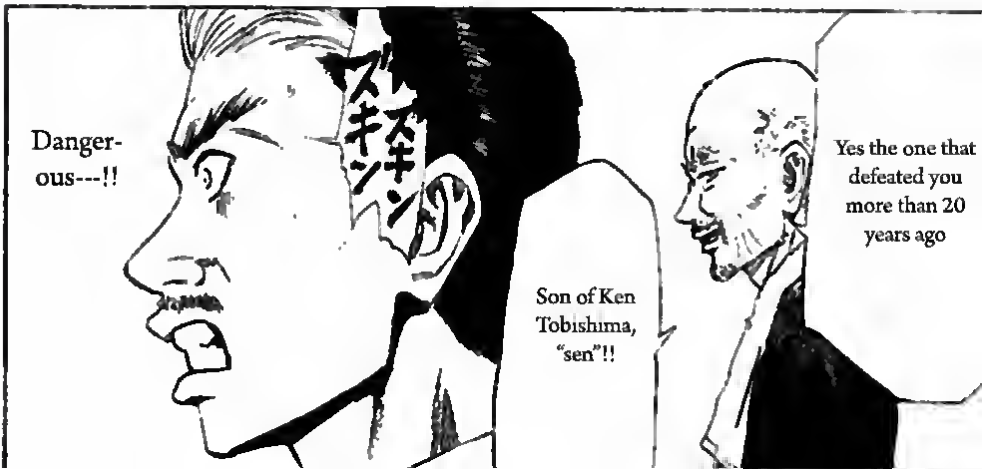
But no rank, no honor, no money, no nothing!!
I've chased the dream with you and I put my life into kick?

My hobby that you can't buy with the money
Like meeting the "moron"s who can really put their life into something
it was really a kidnap
Kyaa!!!
you must not mean...!!!
Red-head...
Red-head...!?
f... father grandpa please stop them!!!
What's going on!?
H...he is---!!!

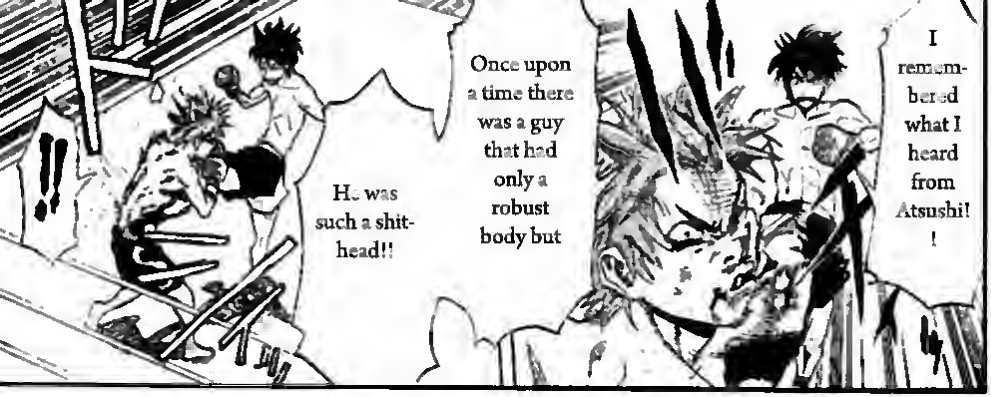
Ken Tobi-
sima~~!!?
Nuahh

I
remem-
ber!!
Ugh

Ken..
Tobi-
shima!!?



Danger-
ous---!!
Son of Ken
Tobishima,
"sen"!!
Yes the one that
defeated you
more than 20
years ago



I remembered what I heard from Atsushi!!
Once upon a time there was a guy that had only a robust body but
He was such a shithead!!

Because he can't actually beat Mr. Atsushi, he had a stone hidden in his hand
And injured him with it when he wasn't looking and ran away!!!

That foul player's son is a huge liar!!?
Just go to sleep since I can't even laugh at it!!
Oh!!
!
Sendou stop it—!!!

There's a cut on Seidou's face--!!!
Doh!!
Kaka!! That moron's lost his temper!!
When he becomes like that, it won't be easy to stop him!
That's the same as when he fought me...!!!
That kid is the "biggest moron" I've ever met
He can put life at stake when he has to defend whatever's his
Ugh ...

If you wanna test me, you're going to put your life at stake also!!
h... he is....
!!!
This feeling...!!
Like a wild animal who stands their hair when they fight for their life!!!
We aren't a liar or a foul player you faggot!!
眠れぬ想いを呼び覚まし
閃、反撃開始!!
